

City of Cuba Budget-Billing Application

Name: _____ Service Location _____

Home Phone _____ SSN _____

The budget-billing program is based on twelve monthly bills for the period of July thru June. Once the payments have been established, they should then be paid in eleven monthly installments. The accounts are reviewed in June of each year, and the final bill shall be settled upon in July. However, if there should be a credit on the account, it will be applied to the next month utility statement. No checks will be issued. You will not qualify for this program if your utilities have been shut off in the last twelve months, if you have been late paying your bill more than 2 times in the last twelve months, if you owe an amount on a previous account, or if you have not lived at your current address for at least one full year. If for any reason during this program your utilities are disconnected for non-payment or any other reason, you will be disqualified. In the case of utility rates increasing, your budget bill amount will also increase. By signing this application, you have agreed to participate in the budget-billing program following these guidelines.

I have read, understand, and agree to the terms of the Budget-Billing Program.
