3. **Conveyance and Title Standards.** Marketable title in fact to the Property shall be conveyed by a General Warranty Deed free and clear of all encumbrances. The title herein required to be furnished is marketable title as set forth in Title Examination Standards of The Missouri Bar. Any encumbrance or defect in the title which is within the scope of any of said Title Standards shall not constitute a valid objection on the part of Buyer; provided Seller furnishes the affidavits or other title papers, if any, described in the applicable title standard.
4. **Title Requirements.** Seller shall within ten (10) days hereof deliver to Buyer a commitment to issue an owner's policy of title insurance in the amount of the purchase price naming Buyer as the insured written by a title insurance company acceptable to Buyer which policy shall insure the owner's title to be in the condition called for by this Contract and which commitment shall provide that said policy shall be issued forthwith after Seller's General Warranty Deed shall be placed of record. After delivery of said title insurance commitment, Buyer shall have ten (10) days to examine said title insurance commitment and notify Seller in writing of any objections thereto. Any Deed of Trust encumbering the Property and identified and described hereunder shall not be objectionable by Buyer provided that the underlying debt is paid from the sale proceeds and that any such Deed of Trust is released at or upon Closing. If there be any objections, Seller shall within a reasonable time furnish to Buyer a new or amended title insurance commitment satisfying any such objections, but if such commitment shall not be furnished within a reasonable time after said notice, Buyer at Buyer's election may avoid this Contract by written notice to Seller. If the failure to furnish a title insurance commitment is due to the fact that title defects cannot be corrected, then this Contract shall be void unless Buyer gives notice to Seller in writing of Buyer's election to waive such defects.

Buyer shall pay the cost for the issuance of the title insurance commitment (title service charges), including the cost of any search fee, examination fee and binder fee. Buyer shall pay the cost for the title insurance premium.

5. **Taxes.** Real property taxes for the year of closing, if any should be assessed and due, shall be prorated between the parties as of date of delivery of the deed.
6. **Insured Loss.** In the event of any loss or damage to the Property, or the improvements thereon, between the date of this Contract and the delivery of the deed, Buyer shall receive all insurance payable for the same; provided, however, that if said damage is substantial and materially affects the present use of the Property, then Buyer at Buyer's election may rescind this Contract. In the event of rescission, Seller shall be entitled to receive all insurance payable.
7. **Environmental.** Seller represents that Seller has no knowledge of any toxic or hazardous substances, waste materials, or gases in, on, or under the Property or of any underground storage repository.
8. **Top Soil.** Seller currently has top soil located on the property to be used at another location. Buyer has no objection to Seller leaving topsoil on property until he is ready to use it. If the top soil needs to be moved because of construction, Seller agrees to move top soil within a reasonable amount of time. Buyer shall give at least seven days notice to Seller to remove top soil. Buyer assumes no responsibility for any property that remains on the property but agrees Seller may retrieve the topsoil that is stockpiled by Seller.
9. **Seller's Representations, Warranties and Covenants.** In addition to environmental matters more specifically provided herein, Seller hereby represents, warrants, and covenants to and with Buyer, which representations, warranties and covenants shall survive the delivery and recording of any document transferring interest in the Property from Seller to Buyer, that:

- h. There exists no ongoing, pending or threatened litigation or claims of any nature arising out of acts or omissions prior to the execution of this Contract that would or could have an adverse effect on the Property.
- i. Seller has received no notice from any federal, state or local government of the existence of any violation of any federal, state or local law or regulation concerning the use or condition of the Property.
- j. Seller covenants and agrees, at Seller's sole cost and expense, to indemnify, defend (with legal counsel reasonably acceptable to Buyer), and hold Buyer, its successors and assigns, harmless from and against any and all claims, suits, administrative proceedings, losses, judgments, damages, encumbrances, liens, defense costs, including attorney fees, that may be incurred by, asserted or awarded against Buyer as a result of or arising out of any of Seller's representations, warranties or covenants which are breached or which are determined to be false. Seller's representations, warranties and covenants shall be binding upon Seller, and Seller's successors and assigns, and shall survive the execution of this Contract and the delivery and recording of any document transferring interest in the Property from Seller to Buyer, whether any such breach or falsity of said representations, warranties and covenants are now known or not known to the parties, or whether the same are yet capable of ascertainment.
